

## Position Title

The University of California, Davis, School of Medicine, Department of Dermatology, is recruiting for two academic dermatologists in the Clinical X series or Health Sciences Clinical Professor (HSCP) series at the Assistant/Associate/Full Professor level based on experience and qualifications. These positions are for general medical dermatologists. Expectations of the Clinical X series is to engage in teaching, research, service and clinical work, while expectations of the faculty in the HSCP series are primarily clinical and include teaching, service and scholarly and/or creative activity. The appointments may be made up to 100%.

### Basic Qualifications

Candidates must possess an MD or MD/PhD, can be board eligible, but must be board-certified in dermatology at the time of starting employment and must be eligible for a medical license in the State of California.

- Successful completion of an approved dermatology residency training program (ACGME accredited).
- Demonstrated proficiency in the teaching of students and housestaff.
- Service including committees, leadership ability, and community outreach.
- Ability to work cooperatively and collegially within a diverse environment.
- Ability to adhere to policies and procedures, and leadership experience and abilities.
- Selected candidates will be expected to participate in clinical care, teaching, research and university service.

### Preferred Qualifications

Subspecialty expertise or experience in the following areas of dermatology are not required but would be highly considered:

- Hidradenitis suppurativa.
- Cosmetic dermatology.
- Pediatric dermatology.
- Inpatient dermatology.
- Dermatology training and education
- Melanoma

Individuals who have had relevant dermatology residency mentorship/teaching experience as a Residency Program Director or Associate Program Director will also receive preferred consideration.

For first consideration, applications should be received by November 13, 2020; however, the positions will be open until filled through September 30, 2021.

The following information is required: Cover Letter, Curriculum Vitae, contact information for at least 3 references and Statement of Contributions to Diversity. Please visit

Please upload this information and apply online at <https://recruit.ucdavis.edu/apply/JPF03677>.

The positions are in Sacramento, California. The Department of Dermatology

(<http://www.ucdmc.ucdavis.edu/dermatology/>) is a major clinical care, research, and teaching department in the School of Medicine. Our faculty are engaged in multiple collaborations with other Schools and UC Davis campus departments, research centers, clinical centers, and primary care networks, and thus all positions require flexibility in local job locations in addition to the Department of Dermatology. This includes the Veteran's Administration, UCD Medical Center Campus, and other community centers. UC Davis commits to inclusion excellence by advancing equity, diversity and inclusion in all that we do. We are an Affirmative Action/Equal Opportunity employer, and particularly encourage applications from members of historically underrepresented racial/ethnic groups, women, individuals with disabilities, veterans, LGBTQ community members, and others who demonstrate the ability to help us achieve our vision of a diverse and inclusive community.

For the complete University of California nondiscrimination and affirmative action policy, see:

<http://policy.ucop.edu/doc/4000376/NondiscrimAffirmAct>. If you need accommodation due to a disability, please

contact the recruiting department. Under Federal law, the University of California may employ only individuals who are legally able to work in the United States as established by providing documents as specified in the Immigration Reform and Control Act of 1986. Certain positions funded by federal contracts or sub-contracts require the selected candidate to pass an E-Verify check. More information is available <http://www.uscis.gov/e-verify>. UC Davis is a smoke & tobacco-free campus (<http://breathefree.ucdavis.edu/>).
